new **Insert-clamping adapter** for mgws reel splicer

- Due to the current market situation, it is difficult to buy the right sleeves with the right inner diameter, which means that you are usually limited to certain sizes when using paper rolls.
- Shop now and use the paper rolls with 6-inch sleeves instead of the paper rolls with 3-inch sleeves!
Now available at MARKET-X.

New Insert-clamping adapter

For the use of reels with 6-inch sleeves.

Installation location: Reel core

With the brand new 6-inch clamping adapter (70.00014-7498) you can easily use reels with 6-inch sleeves instead of reels with 3-inch sleeves.

Buy now and benefit!

Higher flexibility. Top quality. Super price.

Benefits

- Higher flexibility
- OEM quality
- Great price
- Simple application

Important to note!

For inserting into the sleeve. Do not slide onto the chuck!
If the adapter is pushed onto the chuck, the sleeve will be damaged when a new reel is loaded on the splicer.

Do you see potential for improvement? We improve spare parts according to your wishes!

Customized. In quality. Price-wise.
